

2024 California Solar Regatta

High Schools
May 3, 2024

Colleges + Universities
May 4, 2024

9 a.m. – 4 p.m.
Rancho Seco Recreational Area
14960 Twin Cities Road
Herald, CA 95638

Your school or university is invited to join SMUD's 11th Annual California Solar Regatta. This event is sponsored by SMUD's Community Education & Technology Center. The Solar Regatta is a hands-on event where students learn about solar energy and sustainability in a fun, outdoor environment.

If a team of students at your school is interested in joining the solar-powered competition, SMUD will loan the solar modules to a school official. Your team can then retrofit a boat or build one from scratch to compete in the Regatta. All teams will receive benchmark stipends and the winning team of the Regatta Cup wins \$2,000.

For more information, including an application, contact Kaelin Sherrel at Kaelin.Sherrel@smud.org.
