

Greenergy® California Renewable Historical and Prospective Product Content Label¹

Greenergy California Renewable includes California Renewable, Greenergy Standard, and Greenergy Neighbor. California Renewable is sold in blocks of 1,000 kilowatt-hours (kWh) or by matching a percentage of your electricity usage (50% or 100%) annually to residential and commercial SMUD customers. For Greenergy Standard and Neighbor, SMUD supplies blocks of 200 kilowatt-hours (kWh) of renewable generation from California. In 2022, Greenergy California Renewable will be made up of the following new renewable resources averaged annually.

Green-e® Energy Certified New Renewables² in California Renewable

	2022 Historical		2023 Prospective	
	%	Generation Location	%	Generation Location
Solar	95%	CA	80%	CA
Wind	5%	CA	20%	CA
Total Green-e® Energy Certified New Renewables	100%	CA	100%	CA

1. These figures reflect the renewables that we have contracted to provide. Actual figures may vary according to resource availability. We will annually report to you before September 1 of the next reporting year in the form of a Historical Product Content Label the actual resource mix of the electricity you purchased. Historical figures reflect the power delivered to customers in 2022.

2. New Renewables come from generation facilities that first began commercial operation within the past 15 years.

* For comparison, the current average mix of resources supplying SMUD in 2022 includes: Eligible Renewable (23.7% (Biomass & Biowaste 1.6%, Geothermal 3.8%, Eligible Hydroelectric 0.8%, Solar 2.8%, Wind 14.7%)), Coal (0%), Large Hydroelectric (25.4%), Natural Gas (45.6%), Nuclear (1.6%), Other (0.1%), Unspecified Sources of Power (3.6%). This resource mix was prepared in accordance with CEC energy almanac available at: [SMUD 2022 Power Content Label](#)

In 2022, the average home in SMUD's territory used approximately 700 kWh per month. [Source: [SMUD's 2022 5-Year Financial Summary](#)]

For specific information about this electricity product, please contact SMUD at 1-888-742-SMUD (7683), email customerservices@smud.org, or visit smud.org/Greenergy (residential) or smud.org/BusinessGreenergy (commercial).

Greenergy California Renewable is Green-e® Energy certified, and meets the environmental and consumer-protection standards set forth by the nonprofit Center for Resource Solutions. Learn more at www.green-e.org.
